

# Public Properties

by Antlet Documentation

## 1. Overridable properties

<b>pmd.rulesetfiles</b>
<i>Description:</i> rulesets/basic.xml, rulesets/design.xml, rulesets/strings.xml, rulesets/unusedcode.xml
<i>Comment:</i> A comma delimited list of ruleset files ('rulesets/basic.xml, rulesets/design.xml'). If you write your own ruleset files, you can put them on the classpath and plug them in here.
<b>pmd.failonerror</b>
<i>Description:</i> false
<i>Comment:</i> Whether or not to fail the build if PMD finds any problems
<b>pmd.print-to-console</b>
<i>Description:</i> false
<i>Comment:</i> Whether or not to print any problems found to the Ant log/console
